

## Winterquist PIE Meeting Minutes

November 14, 2016

The meeting started at 6:35 in the library with introductions. Thank you to everyone that comes!

Nadine presented the Treasurer's Report. The statement ending balance as of 10/31/16 is \$43,335.10. There are a couple of checks that have not cleared yet and she has not received an invoice from Clubs Choice for the fall fundraiser. Teacher request remaining balance is \$3117.11.

Mandy Dewey picked up the doughnuts and delivered them to the bus garage. Thank you Mandy for doing that and thank you to the bus drivers!

The November conference pot-luck for the teachers was a huge success! The teachers appreciate having warm food ready to go. Thank you to everyone that donated!

Amber Berg presented sample pages for a t-shirt and sweatshirt order. After working out some of the details we will again be offering Esko apparel for everyone to purchase. She will call Duluth Screen Printing to make the needed changes and get the new order form out very soon! We will be able to get one order in and delivered before Christmas! All profits from this sale will go toward the general fund with the idea of adding to the fall sale goal of the MN Science Museum experience. Amber is also working with the vendor to possibly have samples available at the Winter Concert.

The new stocking hats have been a huge success again this year! 450 hats have been ordered so far and only 40 of them have not been sold! Heidi is still taking orders and it was determined we will place another order of 150 so we can sell at the Winter Concert. If you do not have one yet, just ask Heidi! As with the apparel order, the profits from this will go to the general fund.

Heidi did get a response back from MN Science Museum and the cost of this will be around \$4,600.00. As the fall sale was able to cover our teacher request funds for the 2017-2018 school year of \$8,000.00, there is only \$850.00 left over so additional funds are needed to make this happen. The apparel sales help with this. Every item ordered helps!

Nadine wrote the check and Mr. Harker has placed the order for the new swings and chains. Look for those to go up this spring!

Teacher Requests: There were no teacher requests this month.

There is NO meeting in the month of December.

**Next meeting will be January 9, 2017 at 6:30 in the library!**
