T-shirts will be only for those who order prior to 2 week cut off. Motion made to hold the 5K on May 11. Motion passed.

Open Thoughts/Questions

- There is only one working microwave in the cafeteria. Research will be made to see if the school can cover three working microwaves. Otherwise our group may cover three new microwaves.
- Are we going to do a newsletter? A nice short summary of useful links and dates. The teachers would distribute to their parent contacts through their preferred method. Motion made to do a newsletter that will be sent out through the teachers. Motion passed. Josh will work on one for this month.
