Teachers \$3,902.43

Expected expenditures: We still have 2 months of teachers requests and about \$7,000.00 for science guy coming in spring

Mr Harker and Emily Waldo addressed our group about ELC. We talked about how we financially support this trip, but we also discussed ways to support teacher involvement. The ELC trip for 2018/2019 school year is scheduled. Information will be given to the incoming 5th grade students and their families. This trip is an amazing experience for children and we highly recommend parents to support this event by sending your children. P.I.E. would like to thank the amazing teachers/staff that will be heading up this program again.

Mandy Dewey and Emily Waldo spoke at the kindergarten round up parent night and highlighted what P.I.E. is all about, and encouraged parents to join. Mr. Harker reiterated that being involved in your child's education lets them know the importance of their education.

Josh Michaud shared information about our Texas Roadhouse fundraiser. This will take place April 24th Tuesday from 4pm-10pm. An email and flyer will be sent home with each student. 10% of the total for each family participating will go directly to Esko School P.I.E.

Thank you to Karen Pettyjohn for organizing our online Apparel sale. We raised a little over 300 dollars.

A huge thank you to Brenda Mattson for completing our Elementary yearbooks. We sold over 300. This is not a fundraiser for our group, but is a way we provide for the kids to have memories of their elementary years. Brenda Mattson will no longer take this project on for the 2018/2019 school year. Mr Harker has informed our group that he has another staff member interested in taking over this project.
