Community Feedback

At the community goal setting meeting, one of the concerns that came up was too much screen time. The PIE group will try to keep this in mind when using funds for technology related requests. If you as a parent have concerns about how the PIE money is spent, please come join us at our monthly PIE meetings to add your feedback to the decision making process on how PIE funds get spent.

Teacher Requests

- Vocabulary Specialty app: \$69.95. Used by 1st grade daily/weekly for spelling and challenge words. Reimburse \$69.95 since app is already renewed for this year. Motion made to reimburse, approved.
- Author William Durbin visit: \$300. Author would come to visit 6th grade about historical fiction. He did a presentation last year and the teachers would like him back this year. Motion made to fund this, approved.

PIE T-Shirts

Group decided to do gray shirts with blue logo. 8\$. Any parent that wants one can order one. T-shirts were through Big Frog.
