

Winterquist PIE Meeting Minutes Septemeber 11th 2017

The meeting started at 6:30 with Introductions and Pie Tasting. High attendance and several new faces, THANK YOU to everyone for being apart of this first night.

Jess Overson, co-treasure to Nadine Miller gave the treasure report, starting balance as of 05/01/2017 is \$32,295.82

Total expenditures- \$1652.05

Total deposits- \$2275.05+\$6.99 interest

Ending balance as of 08/31/2017 \$32,925.53

Jess will also to added to the bank list

National Night Out was a huge success. It was a great community out reach! Thank you pie group for organizing the bouncy houses for the kids from the 2017 fall fundraiser Clubs Choice. Discussion took place about parking, but overall lots of positive feedback on location and activities.

1000 magnet calendars were ordered, and will get sent home with each child the week of September 11th. Extra calendars will be located in the Elementary Office, community Ed, and the high school office.

Fall Fundraisers Kick off is September 12th at the school. Forms will be Due September 26th at the end of the day, and Delivery date is October 17th out by the playground from 2:00 to 6:00. If your child sells 30 or more items he/she will be entered into a drawing for a chance to have a special time with the bouncy house.

Conference dates are November 14th and 16th with a possibility of a date change. Further information will be sent out to families. At our October PIE meeting there will be a sign up sheet for parents to sign up to supply the teachers a meal.

Brenda Salo (Matson) will be doing the 2017/2018 year book again, with the help from teachers and Mandy Dewey in assisting with photos.

5K pound the pavement update. We had 100 runners attend the event. Mrs Hipp won the traveling trophy. This is her second year, so a big Hip Hip Hurray! Discussion about if we will have another 2018 run, or a possibility to hand it off to the teachers for a fundraising event. Further discussion will take place at our October meeting.

Mandy Dewey brought up a idea for the Christmas Program to get pictures from families that have a family member evolved in the military, to show prior to the show starting This would not be to encourage early seating, but a way for the pie group to thank the families for their service and a little extra thoughtfulness before the show. Mandy Dewey was going to get more information from the music teachers Mrs. Staples and Mrs. Lofald and bring back to our October meeting to get voted on.

Teacher Request

1. Gretchen Grover and Jesse Grady from Destination Imagination submitted a request for \$500.00 in need of funds to run a fall festival. This will help with bouncy house cost, prizes, and

a zombie run. Sarah Wells motioned and Jana Clifford second.

Mrs. Hallsten won the gift card for her classroom parent involvement

Next meeting will be October 9, 2017 at 6:30
